Your salon. Your page.

See the whole day. Fill empty slots.
Stop running the salon through phone calls.

It runs fully automatically.

The client books on your page. The visit lands on the calendar. Confirmations go by email when they leave an email. Nobody has to pick up the phone.

What you get when you use it.

Fewer missed visits

Clients book while you work. A missed call does not have to be a missed client.

Less chaos. More bookings.

Line up appointments, staff, and free hours in one clear online calendar.

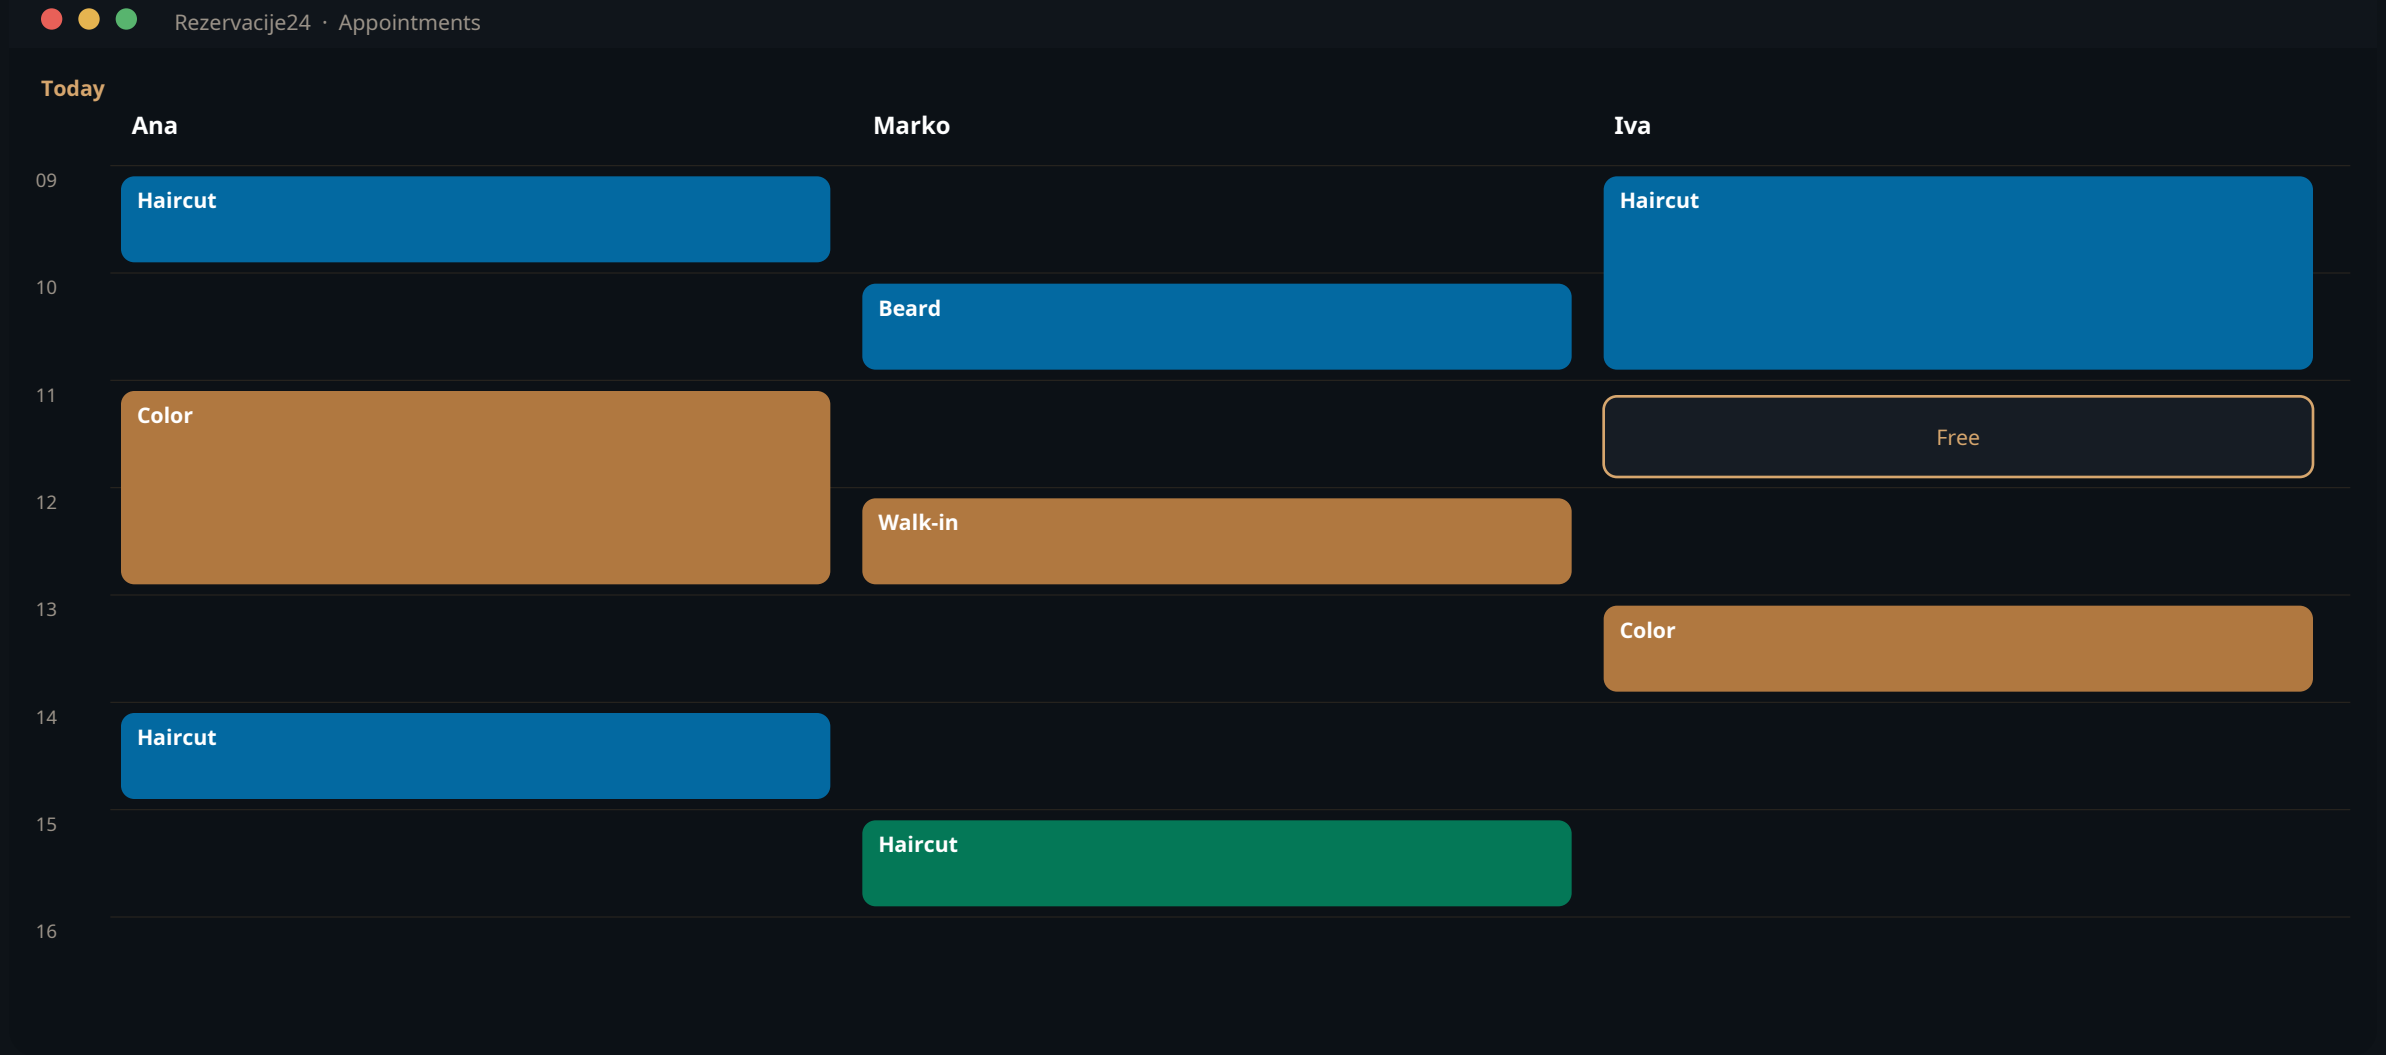

No slot has to stay empty

Use the waitlist and fill a freed slot in the schedule fast.

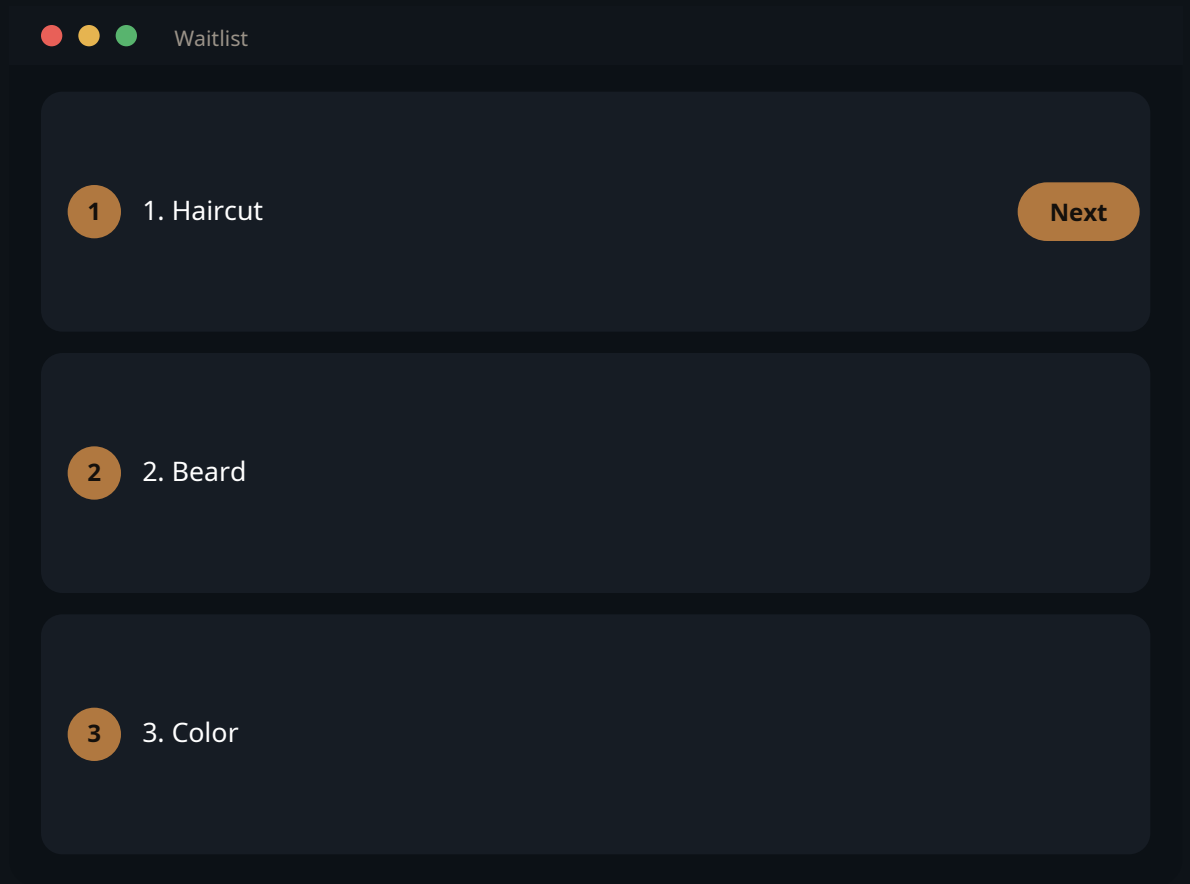

Your salon. Your page. Your brand.

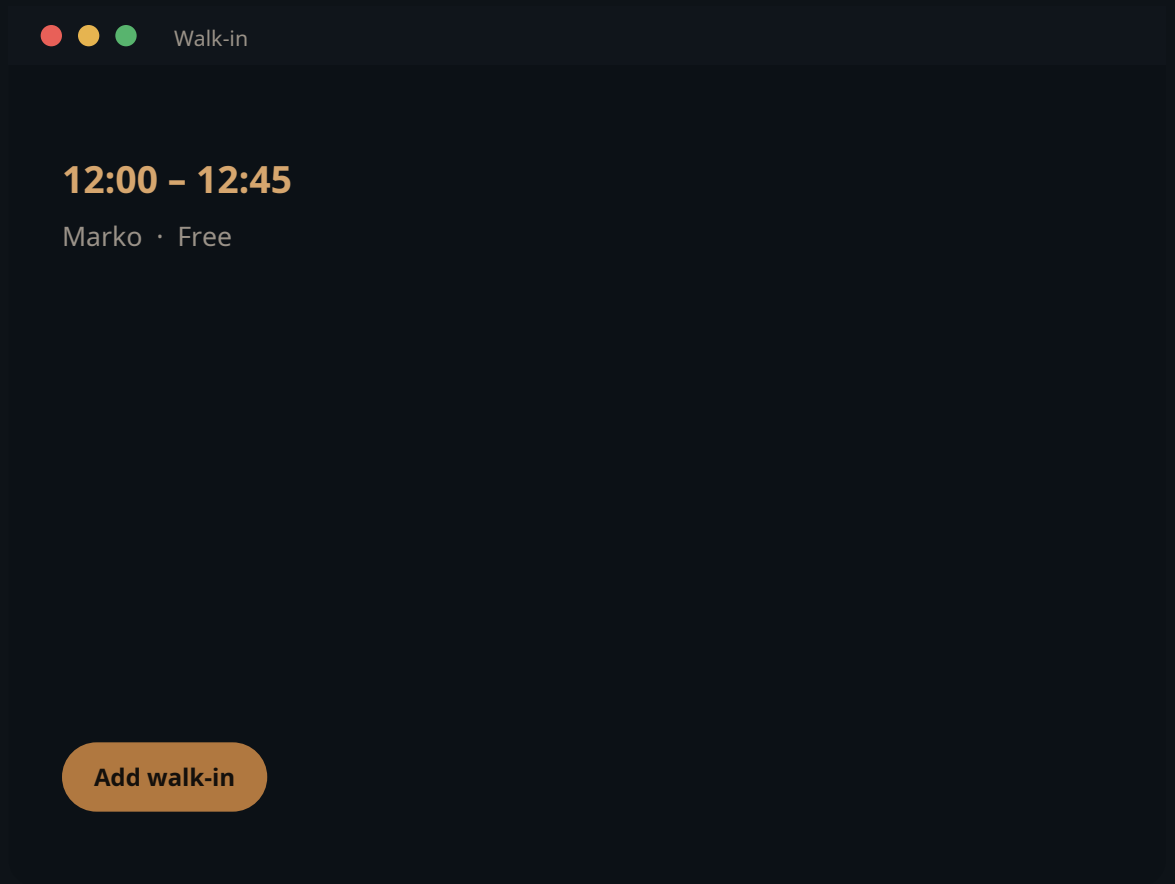

Clients come to your salon page, see your services, and book a time online.

Today, on one screen.

Tools you open every day.

Team calendar · Staff · Services · Opening hours · Clients

A clear monthly price.
